# News to Know

The City of De Soto has expanded our water loss coverage through our new Servline Program and providing our residential customers the opportunity to add water line and sewer line repair and replacement coverage. For more information contact City Hall @ 515-834-2233.

UPDATE: Spring Clean Up Day has been postponed!

Due to our situation with Covid-19, the Betterment Committee has made a decision to cancel the Fun Days event for 2020. We made this decision in the best interest of our community to avoid any opportunity for spreading the virus. We do look forward to planning an event next year should there be a safer environment to do so.

Little Bridge Park will be open May 28<sup>th</sup> ; the rest rooms will remain closed at this time and there will be no shelter rentals until further notice.

## Summer Library Program

Looking for something fun to do with your kids while you're cooped up at home? Want to make sure they keep reading through the summer?

The De Soto Public Library is excited to offer a take-home summer library program!

**How it works:** Call the library at 515-834-2690 or message us on Facebook to register your child with their name, age and if they're reading picture books or chapter books.

Stop by the library starting **June 8th** to pick up your program bag, waiting for you outside the library building. Spend June and July doing fun crafts together and filling out the reading chart, then bring the finished chart back in August for cool prizes!
