City News to Know

ANNOUNCEMENT

Online utility billing payment is coming! The City of De Soto has partnered with Payment Services Network for On-Line utility billing payments. We hope to have this service available by September 1st. We will have a link on the city's website where you can go and set up your account with PSN and designate how you want to pay your utility bill, whether a one-time payment or set up ACH for automatic payments monthly.

Note: Once this feature is available you can still come into city hall with your debit/credit card to pay your utility bill but we will not be taking card information over the phone any longer.

When mowing your yard, please ensure grass clippings stay out of the street.

Reminder; please be a responsible pet owner and clean up after your pets! Your neighbors will appreciate it!
